Professional info

My name is Ahmed Zaggoudi, I am from Morocco. I have been working in the creative field for over 8 years. I have an artistic background. I have worked in various post production video projects (2D & 3D), VFX compositor, online video editor, music videos, explainer videos and audio/visual presentations.

I am also a video producer and owner of "We Love Buzz". A YouTube channel dedicated to creating the most extraordinary, creative and downright useful content from around the web and social media platforms, with over 140.000 subscribers and almost 300.000 monthly views.

At present, I am working as freelancer with clients all over the world and with several creative companies and providing my services continuously.
